INTRODUCTION

THE TIME HAS COME. THE WORLD KNOWS WHAT IS COMING. ONE OF THE FUNDAMENTALS OF THE COMING FUTURE IS THE BLOCKCHAIN; TOKENS, GOVERNANCE, P2E, WEB3 & NFT'S. AT THIS POINT, IT IS OBVIOUS THAT THE BLOCKCHAIN WILL BECOME THE FUTURE OF FINANCE, SUPPLY CHAINS, DIGITAL ID & PROPERTY, DATA SHARING, IoT SYSTEMS AND EVEN MEDICAL RECORD KEEPING. IN FACT, THERE IS ALMOST NO INDUSTRY THAT BLOCKCHAIN TECHNOLOGY CANNOT IMPROVE THE SLOW AND SOMETIMES ARCHAIC PROCESSES THAT CURRENTLY EXIST. IT IS HARD TO ARGUE THAT BLOCKCHAIN IS ALREADY FAR ALONG THE WAY TO BECOMING THE BUILDING BLOCKS OF HOW THE NEW WORLD WILL WORK. BUT EVEN AS FAR AS BLOCKCHAIN HAS COME, THERE ARE STILL ASPECTS THAT CAN BE IMPROVED UPON, AND AREAS THE BLOCKCHAIN CAN EXPAND INTO. ONE ASPECT THAT WE FEEL IS LARGELY UNDER-DEVELOPED IS HOW WE, IN THE REAL WORLD, INTERACT WITH EACH OTHER VIA BLOCKCHAIN. YES, THERE IS NO DENYING THAT CRYPTO HAS FORMED THOUSANDS OF INTERNATIONAL COMMUNITIES THAT COMMUNICATE WITH EACH OTHER DAILY. HOWEVER, THIS IS ALMOST ALWAYS THROUGH MEANS OF CENTRALISED APPLICATIONS WITH VERY ONE-DIMENSIONAL USE CASE. TAKE TWITTER, TELEGRAM AND DISCORD. THESE APPLICATIONS ARE CURRENTLY STANDARD PRACTICE MEANS OF COMMUNICATION FOR THE WHOLE CRYPTO COMMUNITY. CENTRALISED APPLICATIONS WHOSE GOALS AND OBJECTIVES ARE NOT ALWAYS ALIGNED WITH OUR OWN, AS PEOPLE OF THE BLOCKCHAIN. WOULD IT NOT MAKE MORE SENSE THAT THE MEANS OF COMMUNICATION FOR THE CRYPTO-WIDE COMMUNITY WAS ALSO RUN ON BLOCKCHAIN? INTERESTINGLY, IN RECENT MONTHS WE ARE BEGINNING TO SEE A PUSH TOWARDS THE METAVERSE, AND WHAT ROLE THAT MIGHT HAVE IN OUR FUTURE. IN TERMS OF EMERGING TECHNOLOGIES OF THE 21ST CENTURY, THE TWO INDUSTRIES COULD NOT BE MORE COMPLEMENTARY IN OUR STRIDES TOWARDS THE FUTURE WE ALL WANT TO SEE. IN FACT, IN TERMS OF COMMUNICATION VIA THE BLOCKCHAIN, THESE TWO TECHNOLOGIES COULD WELL INTERTWINE. WE AS DEVELOPERS ON THE BLOCKCHAIN CAN SEE THIS GAP, AND WE ARE DETERMINED TO FILL IT. WITH ALL OF THAT SAID, AND AN IDEA IN MIND, WE HAVE CREATED CHIMPSTRONAUT. UTILISING BLOCKCHAIN TECHNOLOGY, WE AIM TO BUILD THE NEXT GENERATION OF PLATFORM THAT CONNECTS INVESTORS WITH DEVELOPERS AND INFLUENCERS WITH PROJECTS, BUT MORE GENERALLY PEOPLE WITH PEOPLE, USING A METAVERSE USER INTERFACE. A SINGLE, SAFE SPACE THAT PEOPLE FROM ALL OVER THE INDUSTRY CAN CONGREGATE, INVEST, SHARE IDEAS, AND BUILD TOGETHER. SUCH A PLACE, WHERE INFORMATION CAN BE SO EASILY COLLECTED, DISTRIBUTED, AND CONSUMED, CAN HELP US ALL TO AVOID SERIAL SCAMMERS THAT ARE DESTROYING, NOT ONLY THE BSC, BUT THE WIDER CRYPTO COMMUNITY. WE HAVE LAUNCHED A JOURNEY, NOT JUST A TOKEN.

CHIMPSTRONAUT OVERVIEW

THE CHIMPSTRONAUT IS A FULLY AUTOMATED ECOSYSTEM BUILT BY SMART CONTRACTS. AN NFT MARKETPLACE AND GAME ROLLED INTO ONE. WE SEE A HUGE POTENTIAL IN THE CRYPTO MARKET FOR SUCCESSFUL PROJECTS AND FOR PEOPLE TO MAKE MONEY, BUT WHAT IS MOSTLY SEEN IS PEOPLE LOSING MONEY THROUGH SCAM PROJECTS OR PROJECTS THAT NEVER GET OFF THE GROUND. WE KNOW WHY EVERYONE IS HERE, AND IT'S TO MAKE MONEY. SO, WE DECIDED TO PLAN A POTENTIAL TOKEN. WE WANTED TO COME INTO THIS OPEN AND HONEST AND SAY "LET'S SHOW EVERYONE THE POWER OF OUR COMMUNITY IN CRYPTO". WE DECIDED TO LOOK FOR REAL USE CASE OPTIONS AND ALSO ORIGINS AND CREATED A TOKEN OURSELVES. AND THE REACTION WE HAVE RECEIVED HAS BEEN VERY POSITIVE. THE CONCEPT OF CHIMPSTRONAUT IS ELEGANT AND MUCH NEEDED. A COIN WITH A PERFECT UTILITY FOR NFT MARKETPLACES, P2E, STAKING AND MUCH MORE.

NFT AND MARKETPLACE PLATFORM

THE MARKETPLACE WILL BE THE HOME OF TRADE WITHIN THE CHIMPSTOUNIVERSE. IT WILL BE THE POWERHOUSE THAT EMPOWERS PLAYERS TO MAKE MONEY. THE NFT MARKETPLACE IS A ONE PAGE FRONTEND APPLICATION WRITTEN IN VUE.JS AND TYPESCRIPT. THE BACKEND IS WRITTEN IN NODEJS WITH EXPRESS.JS FRAMEWORK. BECAUSE THE MARKETPLACE IS SEAMLESSLY INTEGRATED WITH THE GAME IT PROVIDES THE ABILITY TO HAVE ONE ACCOUNT FOR NOT ONLY PLAYING, BUT ALSO TRADING AND EARNING.

SMART CONTRACTS ARE THE BACKBONE OF CRYPTO. THE CHIMPSTRONAUT UTILISES SMART CONTRACTS AT EVERY OPPORTUNITY TO ENSURE THE SAFETY AND RELIABILITY OF THE TOKEN.

TOKENOMICS

LIQUIDITY IS LOCKED. TOTAL SUPPLY OF \$CHIMP 1,000,000,000 AND NEW TOKENS CAN NOT BE MINTED.

BUY AND SELL TAXES ARE 10%:

-2% REWARDS FOR HOLDING PAYED AUTOMATICALLY WITH \$CHIMP

-3% BACK TO LIQUIDITY

-5% MARKETING WALLET, TO GET MORE EXPOSURE AND PROMOTIONS

CHIMPSWAP

Nowadays entering the cryptoworld is getting easier and easier but still there are big obstacles to overcome. That's why we are creating our own exchange platform to trade our Token and other cryptocurrencies too, this will have a massive impact because our data analysts are confident that this will allow even people that are new with the crypto world to buy our coin easily, therefore there will be a massive influx of liquidity, and the coin will skyrocket even more

METAVEVERSE AND STAKING

UNITY IS USED FOR GAME DEVELOPMENT AND AS THE GAME ENGINE. IT FEATURES A GREAT DEVELOPER COMMUNITY, A MODERN TECHNOLOGICAL STACK, A FAST GAME CREATION APPROACH WITH LOW-LEVEL PROGRAMMING CAPABILITIES, AND GOOD MULTIPLAYER SUPPORT. FROM THE NETWORK INTERACTION STANDPOINT, THE UNITY GAME ENGINE CONTAINS NUMEROUS BUILT-IN DATA TRANSFERRING TOOLS WITH ALL THE REQUIRED METHODS FOR OUR TEAM, INCLUDING COMMONLY USED REST API AND THE LIBRARIES FOR A COMPLETE C# WEB3 INTEGRATION. ALL THE PLAYER TRANSFERRED DATA IS SAFELY ENCRYPTED AND INFORMATION IS SECURED BASED ON THE AES256 ENCRYPTION.⁴

P2E SYSTEM

The Chimpstrouniverse P2E will be accessible from PC and mobile. All players will directly interact with other players in region-based servers. Players can choose which servers they would like to join, based on popularity at any given time. A functioning P2E system is integrated inherently via the marketplace, also through land & property, building & creating, and through various open worlds events and quests. Furthermore, in the Chimpstrouniverse, players are able to play minigames and directly compete against their friends to earn tokens.

SUMMARY

OUR VISION IS OF A MASSIVE GLOBAL COMMUNITY VISITING THE CHIMPSTROUNIVERSE EVERY DAY, FOR FUN & FOR WORK. AS THE METAVERSE WILL BE DEVELOPED MORE AND MORE, AND PLAYERS ARE ABLE TO CREATE THEIR OWN STORIES, THE CHIMPSTROUNIVERSE WILL BECOME THE GIANT OF METAVERSE IN CRYPTO. HERE STARTS THE JOURNEY OF A FULLY IMMERSIVE CRYPTO WORLD WHERE PLAYERS CAN EARN, PURCHASE NFT, STAKE, PLAY AND COMMUNICATE WITH THEIR FRIENDS AND ACQUAINTANCES IN THE CRYPTO. WE WILL USE, STATE-OF-THE-ART TECHNOLOGY WITH OUR NFT MARKETPLACE TO SET THE CHIMPSTRONAUTS FAR ABOVE THE REST.
